

Remote Work Equipment Procedure

LG-POL-008 Version 1.0 Class: synthetic_procedure

Original synthetic fixture for LocalGuard AI; it contains no real organization, person, asset, or employment data.

[LG-POL-008:H01]

1. Assignment

[LG-POL-008:P001]

[LG-POL-008:L001] The Asset Custodian must acknowledge assigned remote equipment within one business day after collection.

[LG-POL-008:L002] The acknowledgement must list the asset tag, equipment type, condition, and issue date.

[LG-POL-008:L003] Organizational accounts must not be shared with another household member or worker.

[LG-POL-008:H02]

2. Loss and protection

[LG-POL-008:P002]

[LG-POL-008:L004] The Asset Custodian must report lost equipment to the Service Desk within thirty minutes after discovery.

[LG-POL-008:L005] The Service Desk must notify the Security Team within one hour after receiving a loss report.

[LG-POL-008:L006] Sensitive organizational files may be stored only on encrypted organizational storage.

[LG-POL-008:H03]

3. Return and inventory

[LG-POL-008:P003]

[LG-POL-008:L007] The Asset Custodian must return assigned equipment within three business days after the offboarding date.

[LG-POL-008:L008] The Asset Manager must reconcile the remote-equipment inventory once every calendar quarter.

[LG-POL-008:L009] Unresolved inventory differences must be assigned to an accountable owner within two business days.
